Hi Warren,

Please find building documents attached as requested.

The oldest Occupancy Permit pertains to the works in 1991.

Council records didn't appear to list any works from 2012, but there was 3 sets of works from 2009 & 2010. I have attached the Occupancy permit or CFI for each of the 3 works.

It didn't appear that there were any ASMER for the 4 sets of works.

Kind Regards,  
Rob
