Information Session on the Church Information Systems

- Monday 27 January - 8pm

Want to email something to the New Church Council, but don't know to whom you should send it? Got a bright idea for the Outreach Committee, but you forget who is on it? Want to contact the convenor of the IT Group to tell them what a great job they are doing, but haven't a clue who they are? Want to swap duties with Herb Fleming, but you cannot find his phone number? Heard of the FISH acronym, but don't know what it stands for?

Answers to all these questions are held in The PSALTER, the redesigned church information system. To find out how to use the PSALTER (and what it stands for!), come to an Information Session on the Church Information Systems, Monday 27 Jan 2014 at 8pm in Room 1. You will be amazed at what you will find out!

John Hurst and David Morgan - Church IT Group.
