

Solar Panel Installation - 17 to 21 March

Glen Waverley Uniting Church is installing Solar Power during the week of 17 to 21 March. During this time there will be car parking restrictions, limited access via the main entrance ceremonial driveway and workmen on the roof of the complex installing solar panels. There may also be times when the power will be briefly turned off in the complex during the day.

We ask that you respect the changes to access and ensure you do not impede the installation team in any way. There will also be reduced Car Park parking and the ceremonial drive will at times be blocked by the construction vehicles. This may require you to drop your guests at the main entrance and reverse out of the driveway.

We apologise for this brief inconvenience and look forward to your understanding and cooperation.

Autumn Clean - Saturday 22nd March

There will be a Saturday morning cleanup of the property as we settle into autumn, on Saturday 22nd March commencing at 8:30am and finishing at around midday. Morning tea will be provided. If you feel you can offer an hour or two, that would be greatly appreciated.

The tasks to be done include (but will not be limited to) bench and window surface and window cleaning, light fitting cleaning, garden trimming, and rubbish removal. We will be stain removing from carpets and floor areas.

For further information please contact Warren Greenwood.

Red Cross - March

Red Cross's wide range of humanitarian program's funding relies on donations, largely raised by volunteer door knockers who give 2-3 hours of their time in March. Volunteers are urgently required - if you are able to join other congregation members in this community outreach project, please contact Cliff Baker (phone 9802 8990).

Book Sale Thanks

Many thanks to all who contributed to the success of the last Saturday's Book Sale, particularly Eileen Scott and Uniting Voices for providing the delicious devonshire tea, the Grumpy Old Men and others who helped in setting up, Ian McMillan and helpers for distributing leaflets, all who donated or bought books, and especially the Goldfish for a mammoth effort.

As a result, we were successful in raising \$5102.55 at the book sale, and \$301 for Devonshire teas, a record for both and a total of \$5403.55. In addition this year, with the donation of plants, Andrew Hosking and helpers raised \$200, with half going to the Phillipines cyclone relief.
