Workshop - Forming Disciples in Mission

Craig Mitchell is running two workshops (5 & 19 March) based on his recent doctoral research into faith formation and education in the Uniting Church in Australia. The same event will be run at two locations in Melbourne. The focus is on congregations as lifelong learning community of missional discipleship - connecting how we grow in faith and how we live for God's purposes. The research is based on visits to 13 churches around Australia. Lots of great examples of church learning 'culture', leadership, programs and activities and the dynamic of discipleship development.

5 March, 10am - 3pm at Glen Waverley Uniting Church

19 March, 10am - 3pm at Centre for Theology and Ministry
