Isolated but Not alone...

Due to the current lockdown in Melbourne, **our church complex is closed**.
All meetings and events planned until late September have been cancelled.

10am Live Stream Worship services will continue to be held each Sunday.
Until further notice, these will be available to view online only, and
congregation members are not able to attend in person.

Please keep an eye on the bulletin and emails, for updates to lockdown restrictions
which will allow us to return to the church complex.

Remember as always, we are here for you.

Please send a message to the office or the ministry team if we can help in any way. For
any pastoral care, prayer concerns or celebrations, please email the church office.

Let's remember one another, pray for one another, and reach out so that we stay connected.

You may be isolated but you are not alone.

Glen Waverley Uniting Church would
like to spread some Spring warmth
during this time of isolation.

SPREADING THE
WARMTH OF
SPRING

We have installed a display board on the lawn at the
church which has some little cards available for passers-by to take
and share with others.

Cards have "Thinking of You", "Hi Neighbour", and "Thank you
for..." messages, with space to include your own greeting.

We hope the cards will make their way around our communities to
help brighten our days.

If you are passing by the church, take a card or two (or three!),
write your own note and pass them on.

Help us Spread the Warmth of Spring!

Check-In Thursday with Neil - Thursday 9 September @ 10am

Neil is inviting members of the church to a casual 40min small group chat on Zoom on Thursday mornings. To participate please email Neil on revneilpeters@gmail.com and he will send you the invitation link. If you have been involved before, please use the same link to attend. *Check-In with Neil and he can check-in with you!*

Let's pull together on pandemic

After receiving her second dose of the Astra Zeneca vaccine, Moderator Denise Liersch has encouraged Uniting Church members to roll up their sleeves to help protect their communities.

Denise says each of us can play a part to help ensure as many members of the community as possible are fully vaccinated, and to help find a pathway out of ongoing lockdowns and restrictions.

"We are all deeply aware of the impacts of the pandemic on people's lives and livelihoods, through COVID-19 itself and through the impacts of restrictions," says Denise.

"There's no simple way through this except by pulling together as a whole community to look out for each other.

"In this pandemic, we are more aware than ever of how much we depend on each other, of how much a single person's small actions can have ripple effects right through the wider community.

"Small individual acts of kindness for the sake of others, can have an effect bigger than we might imagine ... for love of God, for love of neighbour."
