Monash Recycling & Waste Centre

The Recycling & Waste Centre
(formerly Waste Transfer Station)
is located at 380 Ferntree Gully
Rd, Notting Hill. **Phone: 9518
3555.**

It is closed on some public
holidays including: Christmas
Day, Boxing Day, New Year's Day, Good Friday, Easter Sunday and before
noon on Anzac Day.

For staff and customer safety, the Recycling & Waste Centre may
temporarily close to the public during extreme weather conditions.

The Recycling & Waste Centre is open to all customers (trade and
residential) from **7.30am-3pm** every day, including Sundays.

We are now **accepting soft plastics for recycling** for Monash residents.
Please follow the signs at the Centre for instructions to the collection
point.

Smaller **drop-off points** at [Monash Civic Centre and Oakleigh Service
Centre](https://www.monash.vic.gov.au/Contact/Call-Visit-Us) (<https://www.monash.vic.gov.au/Contact/Call-Visit-Us>) are also
available to Monash residents. Due to the smaller capacity of the drop-
off points, there is **a limit of 1 bag of soft plastics** per visit.

Materials accepted

Free disposal

These items are transported to processors to be recycled:

- Computers, laptops, printers, fax machines, televisions and computer monitors
- Paper and cardboard ([Visy \(http://www.visy.com.au/\)](http://www.visy.com.au/)). We accept shredded paper. There is a yellow bin, next to the big blue customer drop off bins, specifically allocated for shredded paper.
- **Soft plastics** ([APR Plastics \(https://www.aprplastics.com.au/\)](https://www.aprplastics.com.au/)) - read more about [Monash Council's soft plastics recycling option \(https://www.monash.vic.gov.au/About-Us/News/Monash-first-to-deliver-soft-plastics-recycling-option-for-residents-following-suspension-of-RedCycle\)](https://www.monash.vic.gov.au/About-Us/News/Monash-first-to-deliver-soft-plastics-recycling-option-for-residents-following-suspension-of-RedCycle)
- Scrap metal
- Commingled recycling ([Visy \(http://www.visy.com.au/\)](http://www.visy.com.au/))
- Batteries (household batteries and car batteries - up to 15)
- Fluro tubes and bulbs/CFL globes (max. 5)
- Printer cartridges (Cartridges for Planet Ark)
- Mobile phones ([Mobile Muster \(https://www.mobilemuster.com.au/\)](https://www.mobilemuster.com.au/))
- X-ray films
- Engine oil (30 litres or less)

- Paint (check accepted products [Paintback \(https://www.paintback.com.au/\)](https://www.paintback.com.au/))
- Whitegoods (fees apply for fridges, freezers and air conditioners)
- Cooking oil (up to 20 litres)
- Polystyrene (made of white clean balls) – amounts up to $\frac{1}{2} \text{ m}^3$ are free
- CDs, DVDs, cassettes and VHS video tapes
- Clothing, shoes and handbags/accessories

Paid disposal - fees and charges

We charge by volume for general rubbish, green waste, concrete and soil. Please remove any tarps so the window operator can view the load.

Volume = Length x Width x Height

For example: 6' x 4' trailer = $1.8 \times 1.2 \times 0.45 = 1\text{m}^3$ which equals 1m^3 charged for disposal.

EFTPOS is available.

Items are **charged fees** (listed below) to pay for transport, processing or disposal:

- Clean green waste (recycled)
- Mixed green waste
- Household goods (furniture)
- Fridges, freezers and air conditioners (recycled)
- Building materials
