Dear Deb,

Thanks to you and all members of Free Spirit for a wonderful afternoon of song on Sunday, 11 July. You filled our church with praise and music. And with people. It was great!

The appearance of Free Spirit raised some \$700 on the day for the Mental Health Ministry, a partnership between Yarra Yarra Presbytery and Eastern Access Community Health, with the possibility of further donations later.

The value of the delight and pleasure to those present was perhaps even greater.

We give thanks for the witness of Free Spirit and the joy and love you promote. I'm sure that Forest Hill and all those who were present will long remember your performance.

Yours in fellowship,

Russell Crawford
