

Report from Choir of Hope - 23rd July 2025

We continue to meet every Friday morning during school term with the average turn-up of 13 members. After a singing session of 1.5 hours, we then adjourn for morning tea where we fellowship and get to know each other and to support each other. We enjoy a variety of yummy food donated by members. We celebrate members birthdays monthly with a special birthday cake.

Although we practised to sing at the Free Spirit Winter concert, we were unable due to many members who were unwell or away.

Debbie informed the choir that her hope is for us to sing once a term at the 4th Sunday worship with Free Spirit.

On 23rd May, 12 of us sang the following repertoire at the Mt Waverley Glades Care Community

- Let's Sing All Together
- You Raise Me Up
- Go Tell It On The Mountain
- Sylvie
- Halleluiah
- I've Got Peace Like A River

We have been invited back to sing for them again. And this sparked a discussion as to how we can continue to bless others. The consensus is to look at going out to other nursing homes to bring joy to the residents.
