POST EASTER STUDY – “EVERYTHING MUST CHANGE”

This study is based on Brian McLaren’s book of the same name.

Part 5 – Titled – The Security System

“The security system exists in large part to protect and support the prosperity system and those who are in control” - security through living “by the sword”.

Jesus’ good news of the Kingdom of God offers faith, hope and love – a peace insurgency.

Are nations willing to incur almost any expense for increased security? In 2003 the US military budget was \$2 billion per day and rising. On top of this dollar cost, there are other costs. There is “brain drain”. Intelligent, potentially productive thinkers are drawn away from developing our world for the better.

Although there are 8 sessions in the complete study, one may join the group at any stage and attend as many sessions as one would wish.

Remaining Sessions are:

Thursdays 7.30pm, Room 2 at GWUC

June 10th Part 7 June 17th - Part 8

You will note that Thursday June 3rd is not included.

I wish to send sincere thanks to the Church family for the kindness and generosity of caring which I have received in relation to my recent health setback.

It is good to be now undergoing rehabilitation and I am sincerely grateful and upheld by your prayers, messages and cards at this time.

At some later point I will be looking forward to being able to see visitors.

With my sincere thanks
Neil Graham

Recently a church building key was stolen which means that it is vitally important that we lock the sound room, vestry and offices every night to ensure they cannot get to anything of great value. We also need to ensure valuables are put away. Could all groups please take note and make sure that the property is secured every night after use.

Warren Greenwood
Chair, Property

**Please check through the 'Lost Property Box' in the Foyer!
Anything not claimed will be forwarded to
Broadmeadows, or thrown out over the next week!**
