To John Snare  
Chair of Congregation  
Glen Waverley Uniting Church

Dear John,

It is with great joy and thanksgiving that I have received the letter of call from the Glen Waverley Uniting Church to join you as Minister of the Word.

Trusting in the one who calls and sends all God's people and sustains us together on the way of discipleship, I accept this call. I pray that the Spirit of the living God will bless our new relationship and inspire us with the humility and grace of Christ, who is last of all and servant of all, to minister together in faith, hope and love.

As discussed, there are a couple of minor matters in the Terms of Placement to be clarified. I understand my placement will commence on 1st January 2024.

I look forward to all that God will lead us into together on Christ's mission.

Yours in Christ,
