### *Moving Forward in 2022*

On behalf of the committee I write this letter to let you know how Leisure Time will change next year. After two very difficult years, an aging and diminishing number of volunteers, it was agreed to review how we could move forward into 2022.

- The decision has been made that Leisure Time will no longer be a full day program.
- The new program will be a delicious afternoon tea starting at 2pm and finishing at 3.30pm.
- The afternoon tea will be held on the first Monday of the month
- It will start in February and go through to December.
- For those who need transport, drivers will be available to pick you up and take you back home.
- In keeping with Government regulations we shall need proof that you have had two covid 19 vaccinations.
- The cost of this program will be a gold coin donation.

The committee are thrilled to offer this opportunity for our guests to gather and chat and we look forward to you continuing to be part of our Leisure Time program.

With kind regards

Susan Karoly  
Leisure Time Coordinator
